

Report to the Partnership for Urban South Hampshire Overview and Scrutiny Committee

Date: **20 March 2008**

Report of: **Fareham Borough Council**

Subject: **PUSH Joint Committee Business Plan**

SUMMARY

As stated elsewhere on this agenda, one of the terms of reference for the Partnership for Urban South Hampshire (PUSH) Overview and Scrutiny Committee is to scrutinise in particular the PUSH Business Plan and its delivery.

At its meeting on 18 March 2008, the PUSH Joint Committee considered a report, setting out the Business Plan, which is a key document for the partnership. It serves both to set out how the sub-regional strategy for South Hampshire is to be delivered, and specifies the actions to be implemented by PUSH. This in turn determines the activities that fall within the purview of the Joint Committee. The report is attached at [Appendix A](#) for the Committee's comments, together with the final draft of the Business Plan.

Given the timescale of the PUSH Joint Committee and the PUSH Overview and Scrutiny Committee meetings, members will also receive a verbal update on the decision of the PUSH Joint Committee.

RECOMMENDATION

Members are invited to give their views on the PUSH Joint Committee Business Plan.

INTRODUCTION

1. The Business Plan is in two parts. [Volume I](#) sets out the proposed actions to be taken forward in the period 2008-11, indicating priorities and a summary of available financial information. [Volume II](#) contains more detailed action plans for use by PUSH and its partners in implementing the Plan. It also indicates the proposed priorities for project funding in 2008/09 and indicatively for future years.

RECOMMENDATION

2. The Overview and Scrutiny Committee is asked for its views on the PUSH Joint Committee Business Plan.
