Dear *Anne Marie*

Growth Fund

Following recent enquiries from PUSH I would like to take the opportunity to confirm to you as the Executive Director and to the PUSH Joint Committee the position of the Growth Fund.

As an unringfenced grant, with the exception of reflecting the split between capital and revenue, there are no grant conditions about how or when the funding is spent. It is for local authorities to prioritise how the funding is used in their area with performance monitored through the indicators in the Local Government Performance Framework.

If you need any further information please do not hesitate to contact me at tim.faulkner@hca.gsx.gov.uk

Yours sincerely

Tim Faulkner
