PUSH Response: Taking Forward the Review of Sub National Economic Development and Regeneration

Thank you for the opportunity to provide comments on the consultation paper "Prosperous Places: Taking Forward the Review of Sub National Economic Development and Regeneration". I am pleased to enclose comments on behalf of the Partnership for Urban South Hampshire (PUSH).

This was consulted widely within PUSH among its groups at various levels including the PUSH Joint Committee at the highest level comprising the Leaders and Chief Executives of the eleven PUSH local authorities. PUSH welcomes the recognition by Government to delegate economic delivery to the sub-regional level as this would contribute towards PUSH achieving its ambitious growth targets in having the flexibility to recognise local priorities. PUSH also supports the integration of economic and spatial planning at the regional level and clarification of roles in promoting economic development.

If you have any queries or seek further clarification, please do not hesitate to contact Tim Levenson at Southampton City Council (Tel: 023 8083 2550 or email: tim.levenson@southampton.gov.uk) who is the Chairman of the PUSH Enterprise, Innovation and Business Support Sub-group.

Yours sincerely

Councillor Seán Woodward
Chairman of PUSH
