Dear Mrs Rowland

PUSH Response: SEEDA's Strategy and Activity in the Coastal South East Context and Issues Paper for the SEERA Select Committee

Thank you for the opportunity to provide comments on the Context and Issues Paper on SEEDA's Strategy and Activity in the Coastal South East that will go to the SEERA Select Committee. I am pleased to enclose comments on behalf of the Partnership for Urban South Hampshire (PUSH).

SEEDA is viewed as a key partner to PUSH. Not only has SEEDA been instrumental in supporting the establishment of PUSH, they will also play an important role in delivering the PUSH Business Plan and working towards achieving the ambitious growth targets across the PUSH Sub-region. In this regard, PUSH looks forward to continuing the positive working relationship with SEEDA and their ongoing support to local authorities and partners in South Hampshire.

If you have any queries or seek further clarification, please do not hesitate to contact Tim Levenson at Southampton City Council (Tel 023 8083 2550 or e-mail: tim.levenson@southampton.gov.uk).

Yours sincerely

Councillor Seán Woodward
