## **EXPLANATORY FOREWORD**

### **1. Introduction**

This document contains the Partnership for South Hampshire's (PfSH) Statement of Accounts for the year ended 31 March 2023.

This foreword contains:

- a summary of the various statements which make up the 2022/23 accounts;
- a broad picture of where the money comes from and what it is spent on; and
- a summary of the revenue expenditure on services and capital expenditure over the course of the year.

### **2. Summary of Statement of Accounts.**

The accounts for 2022/23 are set out on pages 6 to 17. They consist of the following:

- Statement of Accounting Policies – sets out the policies adopted by the Joint Committee in preparing the Accounts.
- Statement of Responsibilities for the Statement of Accounts – records the respective responsibilities of the Joint Committee and Chief Financial Officer.
- Income and Expenditure Account – reports the net cost for the year of all the functions for which the Joint Committee is responsible and how they have been financed.
- Statement of Movement on General Fund Balance – discloses the adjustments necessary to determine the movement on the General Fund Balance
- Balance Sheet – this sets out the financial position on 31 March 2023.
- Cash Flow Statement - this summarises cash coming in or going out from transactions with others for revenue and capital purposes.

In addition, the Annual Governance Statement, which reviews the effectiveness of the system of internal control, is included on pages 18 to 23.

### **3. Overall financial position**

As PfSH is not able to own any assets, the balance sheet total mainly represents the balance of funding being carried forward to the next financial year to fund ongoing PfSH programmes. The balance sheet position as at 31 March 2023 reflects an increase of £18,695 compared to the previous year.

Revenue funding for 2022/23 was made up of carried forward of balances from 2021/22 and in year partner contributions.

Subscriptions for 2023/24 were agreed by the Joint Committee on 4th April 2023. This will enable the partnership to fund committed projects, undertake work in 2023/24 and maintain an appropriate level of resources in reserves.

#### 4. Where the money comes from

The Joint Committee's income in 2022/23 came from the carry forward of balances along with interest earned on those balances. Interest rates increased fairly significantly during 2022/23 so the balances held by PfSH earned £3,748 in 2022/23 compared to only £518 in the previous year.

## 9. Financial Instruments

- 9.1 In accordance with Financial Reporting Standard (FRS 102) debtors, payments in advance and temporary lending are classified as loans and receivable financial instruments. Creditors (note 7), receipts in advance and temporary borrowing are classified as financial liabilities at amortised cost. All such elements included in the Balance Sheet are short term and have been valued at face value, which is a reasonable assessment of fair value.
- 9.2 Credit risk arises from deposits with other institutions, as well as credit exposures to PfSH's debtors. As surplus cash is temporarily invested with Southampton City Council, PfSH is exposed to minimal risk. PfSH's debtors are generally other public sector bodies.
- 9.3 PfSH has access to temporary borrowing from Southampton City Council's cash surpluses, so there is no significant liquidity risk of not being able to raise finance. There is no investment in equity shares or other shareholdings, and no financial assets or liabilities in foreign currencies so no exposure to either price risk or exchange rate risk.
- 9.4 In summary, the risks to which PfSH is exposed to are minimal and therefore it is not considered necessary to perform any sensitivity analysis of the above risks as any changes to the risks would be unlikely to be material to these accounts.

## 10. Authorisation to Issue the Accounts

- 10.1 These Accounts were authorised for issue on 11<sup>th</sup> July 2023 by the Chief Financial Officer, and events after the balance sheet date have been considered to this date.

## 11. Related Party Transactions

- 11.1 PfSH is required to disclose material transactions with related parties - bodies or individuals that have the potential to control or influence PfSH or to be controlled or influenced by PfSH. Disclosure of these transactions allows readers to assess the extent to which PfSH might have been constrained in its ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with PfSH. There were no related party transactions.
- 11.2 Central government has effective control over the operations of PfSH - it is responsible for providing the statutory framework within which PfSH operates and has provided the majority of its funding in the form of grants.

- 11.3 Members of the Joint Committee have direct control over PfSH's financial and operating policies, and notes 3 and 4 set out the transactions with the parent councils of the members of the Joint Committee. No grants were awarded in 2022/23 to related party organisations.

## Annual Governance Statement

### 1. Scope of responsibility

1.1 The Partnership for South Hampshire (“PfSH”) is a Joint Committee comprising 11 local authorities and one National Park Authority (“the Councils”). The primary governance arrangements that apply directly to those members and officers of the Councils who are engaged in PfSH activities are those maintained by their own individual local authority (for example, Codes of Conduct). The relationship between the Councils in respect of PfSH are set out in the Joint Agreement (“the Agreement”) which has been approved by each of the Councils at a full council meeting. A copy of the Agreement is available at:

<https://www.PUSH.gov.uk/partnership/working-arrangements/governance/>

1.2 Southampton City Council’s Service Director: Legal & Business Operations has also been appointed as the Lead Advisor on legal and constitutional issues for PfSH, and also the statutory Monitoring Officer for PfSH. As such, the Southampton City Council governance arrangements take precedence, and form the basis of PfSH’s governance framework for the operation of the Joint Committee and its activities.

1.3 Southampton City Council is the lead authority for financial matters, and Southampton City Council’s Executive Director – Corporate Services is also the statutory Chief Financial Officer (“CFO”) for PfSH.

1.4 PfSH (“the Joint Committee”) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Joint Committee also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. In discharging this overall responsibility, the Joint Committee is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk.

1.5 In addition to the Agreement, the Joint Committee reviewed the governance arrangements at its meeting of 15 October 2021, and the report is available at:

[\(Public Pack\)Agenda Document for Partnership for South Hampshire \(PfSH\) Joint Committee, 25/10/2021 18:00 \(push.gov.uk\)](#)

1.6 The Financial Protocols (“the Protocols”) for PFSH were reviewed at the meeting of 28 January 2014, and these are available at:

<https://www.PUSH.gov.uk/wp-content/uploads/2018/07/Item-7-Annex-A-Revised-Financial-Protocols.pdf>

### 2. The purpose of the governance framework

2.1 The governance framework comprises the systems and processes, and culture and values, by which the Joint Committee is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the Joint Committee to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost effective services.

- 2.2 The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Joint Committee's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.
- 2.3 The governance framework has been in place for the Joint Committee for the year ended 31 March 2023 and up to the date of approval of the statement of accounts.

### **3. The Governance Framework**

- 3.1 The following describes the key elements of the systems and processes that comprise the Joint Committee's governance arrangements including arrangements for:

#### **Identifying and communicating the Joint Committee's vision of its purpose and intended outcomes for citizens and service users:**

- 3.2 The sub-regional strategy for South Hampshire sets out objectives for growing prosperity and improving the quality of life. Those objectives need to be translated into actions that will deliver change. PfSH's Business Plan sets out how the sub-regional strategy is to be delivered. The 2021 - 2025 Business Plan was considered by the Joint Committee 15th October 2021.

#### **Reviewing the Joint Committee's vision and its implications for the governance arrangements:**

- 3.3 Southampton City Council has adopted a Code of Corporate Governance ("CCG") which identifies in one core document how the Council ensures that it runs itself in a lawful, structured, ethical and professional manner. The CCG is administered by the Monitoring Officer and is updated periodically by the Council's Standards and Governance Committee. As PfSH follows Southampton's governance arrangements (its Constitution etc), Southampton's CCG reflects and represents PfSH's governance arrangements. The full document is published on the City Council's internet site at:

<https://www.southampton.gov.uk/media/fsinhz4z/code-of-corporate-governance-feb-2021.pdf>

#### **Measuring the quality of services for users, for ensuring they are delivered in accordance with the authority's objectives and for ensuring that they represent the best use of resources:**

- 3.4 The Joint Committee has adopted a Performance Framework which sets out PfSH's overall approach to secure on-going improvements across a wide range of services that are provided to local residents and businesses.
- 3.5 The Joint Committee set budget allocations across the Delivery Panels and covering the core PfSH organisational costs at its meeting of 4th April 2023.
- 3.6 Budget reports are considered by the Joint Committee periodically through the year.
- 3.7 These reports are available at:

<https://www.PUSH.gov.uk/work/our-meetings/joint-committee/>

**Defining and documenting the roles and responsibilities of the executive, scrutiny and officer functions, with clear delegation arrangements and protocols for effective communication:**

- 3.8 The Joint Committee has a Joint Agreement, Governance Framework and Financial Protocols setting out how it operates, how decisions are made and the procedures followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Joint Committee to choose.
- 3.9 The Governance Framework and Financial Protocols set out the detailed rules governing the Joint Committee's business including details of the scheme of delegation that provide for delegation to senior officers (Lead Chief Executives and the Executive Director).

**Developing, communicating and embedding codes of conduct, defining the standards of behaviour for members and staff:**

- 3.10 Members and officers acting on behalf of PfSH are required to follow their individual authority 'Members' Code of Conduct' or 'Officer Code of Conduct' as appropriate.
- 3.11 The Members' Code covers areas of individual behaviour such as Members not abusing their position or not misusing their authority's resources. In addition there are rules governing disclosure of private interests and withdrawal from meetings where Members have relevant interests. Members are also required to record on the public register their financial and other interests.

**Reviewing and updating standing orders, standing financial instructions, a scheme of delegation and supporting procedure notes/manuals, which clearly define how decisions are taken and the processes and controls required to manage risks:**

- 3.12 The Joint Agreement sets out how the Joint Committee operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. This includes information on how the Joint Committee operates, how decisions are made and the role of overview and scrutiny.
- 3.13 Periodically, as appropriate, the Monitoring Officer, together with the CFO, conducts a review of the Joint Committee's governance arrangements, which are considered by the Joint Committee from time to time.
- 3.14 All reports submitted to the Joint Committee for a decision must receive legal and financial clearance prior to publication in accordance with the published procedures.

**Undertaking the core functions of an audit committee, as identified in CIPFA's Audit Committees – Practical Guidance for Local Authorities**

- 3.15 It is not practical for PfSH to have a formally constituted Audit Committee whose role would be to provide independent assurance to the Joint Committee or Overview and Scrutiny Committee on the adequacy of the risk management framework and the internal control and reporting environment, including (but not limited to) the reliability of the financial reporting process and the annual governance statement. The Joint Committee therefore acts in this capacity directly to receive the accounts, annual governance statement and the reports of the appointed auditor.

**Ensuring compliance with relevant laws and regulations, internal policies and procedures, and that expenditure is lawful:**

- 3.16 It is the role of the Monitoring Officer and the CFO to ensure compliance with relevant laws and regulations and that expenditure is lawful. This is achieved through the governance framework including the Joint Agreement itself and the Financial Protocols.

**Whistle-blowing and receiving and investigating complaints from the public:**

- 3.17 Any complaints received by the Joint Committee in respect of unlawful conduct, illegality, financial malpractice or dangers to the public, employees or the environment would be dealt with by the Monitoring Officer, in line with Southampton City Council's procedures.
- 3.18 The Joint Committee does not employ staff directly, but rather by the relevant constituent authorities. Each council is required to have its own whistle blowing policy, and staff can utilise these for any activities of PfSH.

**Identifying the development needs of members and senior officers in relation to their strategic roles, supported by appropriate training:**

- 3.19 The Councils individually have their own programmes for member and senior officer learning and development to cover general development needs. From time to time, PfSH organises member and senior officer workshops to address emerging development needs specific to the Joint Committee.

**Establishing clear channels of communication with all sections of the community and other stakeholders, ensuring accountability and encouraging open consultation:**

- 3.20 PfSH has established a Communications Strategy. In addition, the Joint Committee is able to draw on the existing communication channels of the Councils.

**4. Review of effectiveness**

- 4.1 The Joint Committee has a responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the appropriate officers.
- 4.2 The review process applied in respect of maintaining and reviewing the effectiveness of the system of internal control, is informed by:
- the work of Members/Officers within the Joint Committee;
  - audit and other periodic reports from the Internal Auditor;
  - reports received from service review agencies or inspectorates where appropriate

**5. The Joint Committee**

- 5.1 The Joint Agreement forms the cornerstone of effective corporate governance, supported by the Governance Framework and the Financial Protocols. It has been approved by the full Council meetings of each of the partner local authorities.

**6. The Overview and Scrutiny Committee**

- 6.1 The Joint Agreement establishes a Joint Overview and Scrutiny Committee with the following terms of reference:

- To scrutinise and call in Joint Committee decisions.
- To scrutinise in particular the PfSH Business Plan and its delivery.
- In respect of any call in:
  - To review decisions made in accordance with the approved business plan and where they consider it appropriate, refer such decisions back to Joint Committee with comments for reconsideration;
  - To review decisions not made in accordance with the approved business plan where they may either refer such decisions back to Joint Committee with comments for reconsideration or refer the decision back to individual authorities. The Council has a formally constituted Audit Committee whose role it is to provide independent scrutiny.

## **7. The Joint Committee acting as an Audit Committee**

- 7.1 The Joint Committee receives reports to meet certain statutory obligations, such as approving the Annual Governance Statement and the Statement of Accounts.

## **8. Internal audit**

- 8.1 The Joint Committee does not operate an Internal Audit function. However, the Southampton City Council / Portsmouth City Council shared internal audit service undertakes an assurance role that provides an independent and objective opinion to the CFO and to the external auditor that adequate financial systems and controls are in place. The audit plan for PfSH is agreed with the CFO.

## **9. Other review/assurance mechanisms.**

- 9.1 The Annual Governance Statement is reviewed each year. This statement, insofar as it is applicable to a Joint Committee, follows the guidance set out within the CIPFA framework: "Delivering Good Governance in Local Government".

## **10. Significant governance issues**

- 10.1 No significant governance issues have been identified, however we will continue to review our governance arrangements from time to time and on at least an annual basis.
- 10.2 We propose over the coming year to take appropriate steps to address matters arising out of such reviews to further enhance our governance arrangements. We are satisfied that this will address the need for any improvements that might be identified in our review of effectiveness and will monitor their implementation and operation as part of any subsequent review.
